SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the Standard Job Corps Contractor and Grantee Information Gathering. These operating and/or reporting forms are standard for the operation of a Job Corps Center. They are Federal information collection requirements for operators of such centers. Job Corps has automated the following Employment and Training Administration (ETA) forms: 2110, 2181, 6-131A, 6-131B, 6-131C, 640, 661, and 328. This ICR covers standard operating and/or reporting forms a Job Corps Center uses. This information collection is a revision, because this ICR includes an additional collection form for demonstration grants and an additional form determined to be a part of this collection. The Workforce Innovation Opportunity Act (WIOA), Section 116(b) (2) (A) (i), Section 159(c), and Section 156(a) authorizes this information collection. *See* 29 U.S.C. 3195, 3201 and 3209.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB, under the PRA, approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. *See* 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205-0219. The current approval is scheduled to expire on August 31, 2019; however, the DOL notes that existing information collection requirements submitted to the OMB will receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval. For additional substantive information about this ICR, see the related notice published in the *Federal Register* on June 18, 2019 (84 FR 28336).
